Petra slowly begins to walk around the apartment, feeling every surface around her. The words are painted everywhere: on the table, the walls, the ceiling, the sink, the regrigerator, the bathtub. Petra was puzzled. She felt like they were clues to the location of her next task, but they had been there for so long that she didn't know if it was actually leading her somewhere or merely taunting her.

Petra was curious. She had never seen anything like it and it made her slightly nervous but at the same time she wanted to see what would happen next

Petra is feeling very upset about everything that has happened and is constantly replaying the events of the previous 24 hours in her head, over and over. She has begun to wonder if maybe everything was her fault, that she was the one to blame.

Petra was puzzled. She felt like they were clues to the location of her next task, but they had been there for so long that she didn't know if it was actually leading her somewhere or merely taunting her.
